4. The tendered rates should be written in figures as well as in words.

5. The tenders will be opend by the undersigned at 3-45 P.M. on Tuesday the 21st June 1932, in the presence of such tenderers as may choose to attend.

6. About 2 to 8 carcasses may be avilable every day and they have to be removed immediately after *post mortem* examination is completed by paying the purchase money on the spot. If the contractor delays in removing the carcasses, he will have to pay all the incidental charges incurred in removing the same. The carcasses will then be sold elsewhere at his risk but he cannot participate in the profits if any. Failure to fulfil the above conditions on the part of the contractor will entail forfeiture of the security deposit furnished by him.

7. Separate rates should be quoted for the carcasses of buffalo bull calves, bull calves, he-buffaloes, goats and sheep and each rate quoted will be considered as a separate tender by itself.

2. The undersigned does not bind himself to accept the highest rate or any tender or assign any reason whatever for the rejection of any tender.

9. The contract should not be sublet.

10. The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement bond on a twelve annas stamp paper depositing a sum of Rs. 75 as security deposit for the due fulfilment of the contract within seven days from the date of intimation of acceptance of the tender.

11. The earnest money deposited with the tender will be forfeited to Government, if the tenderer withdraws the tender before acceptance or if the successful tenderer fails to execute the necessary agreement bond within the period specified under para 10. The earnest money of unsuccessful tenderers will be returned.

12. This tender contract, if given to any tenderer, is liable to be terminated at any time, without notice, during the course of the year at the discretion of the undersigned :—
